I would be interested in being part of our phone tree to help neighbors in need. Possibly provide meals and/or transportation to the Doctor at times of need for individuals up here on the Mountain!

There are activities that I would like to see more of....(please make your suggestions on the back!)

I know someone who I would like to invite or I would like the club to approach about joining! Give us contact info if you would like us to start adding them to our email list of events.

Please let us know if you have any other ideas how we can better serve you and the community. Thanks so very much!

Sincerely,

Your Madame President Melanie & Madame Vice President Heidi
